Can you please let me know if USAF or US EPA have any concerns about attorney privileged info associated with ST012 activities from 2010-2020? ADEQ is gathering items to respond to the Patrick Townsend litigation firm record file request. If there is a concern that communications to ADEQ hold any attorney client privileged info, please let me know counsel names and keywords that ADEQ should run through as a file search.

ADEQ expects to respond by June 1, 2020.

Thank you.
